
"I would like to thank you for your outstanding service. I have only one regret; I wish I had known about you sooner. . ."

An authentic Customer Statement.

Introducing:

KICHEKO – DOT - COM

Kicheko Ltd is an Internet Service Provider (ISP) company based in Moshi, Tanzania. This is a private company wholly owned by local Tanzanian IT professionals.

Vision: To be recognized as the best ISP firm in Tanzania;

Mission: To help our clients and our people excel;

Shared Beliefs: Integrity, Innovation, sincerity and Commitment to each other;

Objectives: To empower our clients with access to vital information for their business and personal needs.

What's in the name? ...

Kicheko means "Laughter" symbolizing satisfaction of clients as ultimate goal. The company strives to create a peace of mind, happiness and success to all its clients and members of staff. All **Kicheko** services are created using an innovative approach. The aim is to achieve customer satisfaction to a joint of laughter.

Why you should join Kicheko? ...

There are at least six reasons why you should join Kicheko today...

1. **Quick and friendly service** - our promise is to get you up and running inside 24 hours of your application. You'll then have a three (3) days free evaluation period;
2. **Good price** - contact us for price schedule. You may pay even less by signing a longer term contract;
3. **Webmail** – keeps you in touch with your e-mails from anywhere in the world;
4. **Pocketmail** – keeps you in touch while you are on the move by using your mobile phone;
5. **E-mail in your language** - you have a choice of twenty two different languages from our multi-lingual webmail interface;
6. **High speed and reliable connection** – facilitated by redundant bandwidth with direct connection to US and European backbone.

A complete range of ISP Services

Our staff understands Computers and the Internet, it's our business.

The services offered by **Kicheko** include:

- ?? Dial-up access service;
- ?? 'Always On' full time unlimited access either through wireless connection, cable or shared hub connection;

- ?? Web Presence services which include Domain registration, web hosting, website design and maintenance;
- ?? Webmail is a service which allows our clients to access their e-mail accounts with us from anywhere in the world;
- ?? Pocketmail is a service which allows our clients to access their e-mail accounts with us while on the move by using their mobile phones.

Depending on customer choice the services could be bundled with training, structured cabling at customer's premises or sale of brand new, slightly used, used as is, or directly recycled from OEM computers.

At prices you can afford

The prices we offer are quite reasonable and affordable. There is an option of longer payment period which reduce the price further. You should be able to instantly notice the difference from other service providers.

So why not call on us today? You could save yourself a fortune. Call for more information or immediate service:

Internet Service Provision Specialists

Kicheko Limited

Not only can **Kicheko** help reduce your internet and e-mail communication budget, we can often save you more than the cost and hassle of striving to reach your mail while on the move or away from the country. Our "webmail" and "pocketmail" will make sure that you stay connected.

Easy, fast and comprehensive

In fact after receiving your Registration form, we undertake to get your connection up and running within 24 hours. You will then enjoy a free three (3) days trial service. Within this period, if you are satisfied with the service, you are invited to make payment and activate your account.

We bear the risks. That's why we accept all responsibility for non-delivery of service and any losses or damage that may result from our error.

We are conveniently located along Mawenzi Road near Bora Shoes and opposite Old CCM.

To arrange for free consultation to find out how **Kicheko** can help you realize your business and personal objectives at rational cost, please contact us at phone number (027) 275-4600, fax number (027) 275-4700, or e-mail us at info@kicheko.com
